A career expo event for high school students

Prepare the future workforce!

## Future Ready Conference

Advanced Manufacturing (STEM)	Construction (STEM)	Hospitality, Events & Tourism	Education	Public Services & Safety	Energy & Natural Resources	Marketing & Sales
Supply Chain & Transportation (STEM)	Arts, Entertainment & Design	Financial Services	Healthcare & Human Services	Agriculture	Digital Technology (IT)	Management & Entrepreneurship

## Spotlight on the Career Clusters

### Career Fair Experience - Quick Connections

- Connect directly with students at exhibitor tables. Each table is hosted by professionals from various fields, providing students with insights into a wide range of industries and career paths.

### Networking Nooks - Career Themed Breakout Rooms

- Dive into themed breakout rooms designed around different Career Clusters to engage directly with students. Each room provides a relaxed, conversational setting for students to explore various career paths, gain insights, and ask questions.
