# VDOT VIRTUAL CAREER FAIR

October 7, 2021 | 9:00 AM - 1:00 PM

**How does a virtual career fair work? There are two options:**

1. Exhibitors can register for a live virtual booth where they will introduce their firm and speak and/or demonstrate how their firm/organization supports the Transportation and Construction industries.
2. Exhibitors may provide a pre-recorded video of your crews and heavy equipment in action for students to view throughout the fair with scheduled time for live conversations.

\*Don't Worry - Tech Support will be Provided!
